

Direct Observation of Procedural Skills Assessment Form

Opening and Closing a Pterional Craniotomy

Trainee Name: _____

The trainee should initiate completion of this DOPS when they feel they have a reasonable chance of demonstrating safe and efficient independent practice. The Assessor must be the Surgical Supervisor or another Surgical Trainer recognised by the Board of Neurosurgery who has supervised the trainee undertaking the procedure on multiple occasions. Where the Assessor is not the Surgical Supervisor, the Surgical Supervisor must also sign the DOPS form to confirm they are confident with the assessment completed by the Assessor.

This is a Type 1 DOPS procedure. Type 1 DOPS procedures must be assessed as satisfied by two different Assessors from two different training units. As such, trainees must submit two DOPS forms from two different training units during their SET Program.

This DOPS form must be submitted to the Board by the trainee within two weeks of the date the procedure was last observed by the Assessor as recorded on this DOPS form.

I confirm the trainee can perform all of the principal procedure independently in a consistently safe and effective manner based on my direct observations of the trainee performing the procedure on multiple occasions. This includes but is not limited to the trainee satisfactorily achieving the following:

- Appropriate discussions with anaesthetics, time out, etc
- Safe and appropriate patient positioning and application of head pins
- Scalp opening and haemostasis
- Use of craniotome for appropriate craniotomy
- Safe and adequate removal of sphenoid wing
- Dural opening and adequate exposure of operative field
- Dural closure and haemostasis
- Securing of craniotomy flap and cranioplasty if required
- Management of paranasal sinuses if open
- Strict sterile technique throughout procedure
- Appropriate time management
- Appropriate post-operative orders and management

I consent to this DOPS Form being provided to all future training units in which the trainee is placed as part of the Surgical Education and Training Program.
