

# SPINE CONTINUING PROFESSIONAL DEVELOPMENT WORKSHOP

Saturday 6 and Sunday 7 July 2024

Crowne Plaza, Queenstown, New Zealand

## Spine CPD Workshop

The Spine CPD Workshop will be held at the Crowne Plaza Hotel in Queenstown from 1:30pm on Saturday, 6 July to 11:00am on Sunday, 7 July 2024. The Workshop is open to consultants with an interest in Spinal Surgery as active participants, and trainees in a non-presenting capacity. The provisional program will include short didactic talks, discussion sessions on contentious management issues and operative strategies for difficult cases, focused on cervical spine and spinal trauma. It is designed to be a forum for discussion and debate. Consultant delegates will be contacted by the convenors to present on selected topics within the themes during the workshop. The convenors are Associate Professor Mitchell Hansen (Neurosurgeon) and Dr Rob Kuru (Orthopaedic Surgeon). The Workshop is during the peak ski season, so demand is extremely high for flights and accommodation. As such we recommend those planning to attend book early.

**Special Conference Accommodation Rates are available at Crowne Plaza now until**
